Section through the edge of ditch 6120

Medium stones in
a dark brown soil. The
amount of soil in 6120 is
less than that in 5499.

This section shows the occasional burnt stones
in the rubble fill. The rubble is surrounded by
a dark brown soil. Ditch 6120 had no finds.

This section shows the edge of ditch
5499 which cuts ditch 6120

X96
0.00E
0.55N

Small stones + chipples
in a light brown soil
with some leeching.

Ditch 5499 contained
some pot bone flint.
