

W

F.356

Planned ~~(in a hole)~~

Depth

in interior cut

8-14/7/71

Patch of soft earth, chipples, stone in ? bedrock, c. 1m from S. section, & 2m from narrowing of cutting

16/7/71

On excavation, the hole appeared c. 10cms deep: but stomed cut into the bedrock

Removal of ragstone capping almost eliminates hole
