

5 1/2 - 7 1/2 m from S. section

F369

26 - 29/7/71

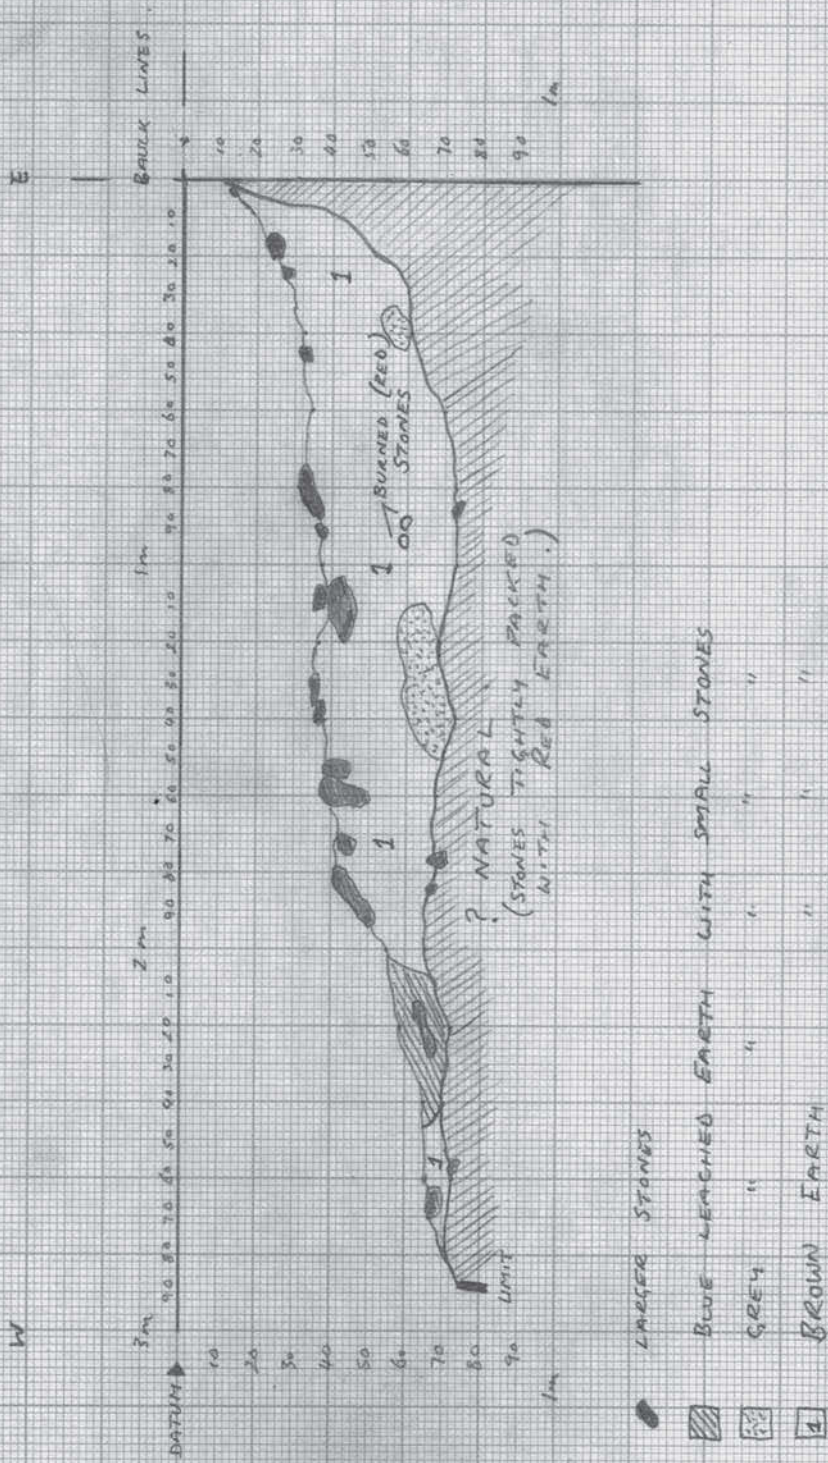

Removal of red stone layer & lower blue stone layer from over whole area as planned. Then line laid & 8 half of blue removed & layer 3b above it (to E.) From this level also flints etc. (see Sw. Finds. pages)

This then taken down to bedrock level & cleaned.
