ASSOCIATED FEATURES

ASSOCIATED FINDS *charcoal 25cm x 10cm x 2cm sitting 3cm above bedrock*

COMMENT *This layer of charcoal was under 8645 and 8638 between the p2 cut of bedrock at ~4mN to ~6.4mN. The charcoal finds have been planned onto 2nd overlay of Plan 2.*

Much of the concentrations appeared to be very stained soil with very little actual solid charcoal.
