If no, explain why.....

Geobase code:

DESCRIPTION

Group of pink burnt small stones: possibly circular in shape, although not convincingly so.

PHOTOGRAPHS	B/w number	Col number
Plan number	Section drawing reference	

Comments

Part of 10711: prob. modern upcast from nearby quarry to S. On excavation the burnt stones were found to be stray and superficial i.e. not a feature, like 10713.
