ASSOCIATED FEATURES *7511 ?*

ASSOCIATED FINDS *Two possibilities: (i) this is pre-existing soil prior to final wash from rampart i.e. earlier than 7511; (ii) this soil has been washed down rampart with 7511.*

COMMENT

*The former is the case, and 7543 is same as 7506 i.e. possible occupation dirt associated with house, yet outside the house. Although outside it, it can be seen to be at a higher level than 7563 (the sub-floor layer within the house).*
