COMMENT

? curving wall of a house earlier than the rectangular
polygons houses. Ab: Relationship with 7534 unclear, probably
post-dates it. 24-8-86: this 'wall' is earlier than the brown soil/
stones upon which 7534 sits ∴ 7558 pre-dates the 7534
PHASING house. Although 7558 overlies 7626, it could still be
a rim to 7626. 7558 sits upon 7626 ① (I.A. 3b), so
I.A. 3b could be 4a or even 4b in date. PTO

7558 gave the appearance of having been later than 7535, which was adjacent to it.
