1st August Fine Lot.

Continued on F1204. Commenced half sectioning F1206

Started half sectioning F1205 - discontinued as it appears to be false feature. Large flat stones at 25cms. N/S section also unsatisfactory.

Started half section F1201

Continued to howel off small stones and soil in B/G 3. Also cleared various disturbed areas. Took out centre of hearth? F1200. No flat centre stone found. May need to be reconsidered.

more enhanced relationship than exists in section.
