CUTTING J99/J1 CO-ORDINATES: East..... North.....

DATE EXPOSED DATE COMPLETED

DESCRIPTION Posthole.

On J99/J1 section. Found after removal of layer ②. Appeared as a half-circle against section, with darker soil and concentration of burnt stone. Although edges pretty broken, the contents fell away

DESCRIPTION
~~COMMENT~~

satisfactorily and never any doubt about extent of hole.
Fill - dark earth, with small stones, many burnt.

Comment Turned out to be suprisingly shallow with a very poor base. About three quarters of it in J99, only one quarter in J1. Drawn section c 10cm North of cutting edge, but second half dug mostly from J1 backfill so no South edge.
