Ditch infill

Shown on plan no.....1/100

Section drawn, y/n

If no,
explain
why.....

Geobase code:

DESCRIPTION

.....Noticeable slope towards northern end of
cutting. This number is used for the slope only. The layers and hollow
over it and in its hollow have also a few numbers. Layers within have
other numbers. The slope is approx 40°, and graduates towards a flat
bottom in which a feature has developed.
