

CH 76

CONTEXT F 2143....

CUTTING ..P.99..... CO-ORDINATES: East..... North.....

DATE EXPOSED DATE COMPLETED

DESCRIPTION Posthole. This showed up extremely clearly at a low level, being marked by an area of very loose, dark soil. After half sectioning it appeared to have a second cut, which may be a slot. This seems quite likely as there appear to be three or four other elongated slots about the cuttings.
