ASSOCIATED FEATURES

ASSOCIATED FINDS Quantity of finds but basically just from old
Land surface F2961.

COMMENT Large area of burnt stones with a number of finds
in old land surface F2961 below mound F2951

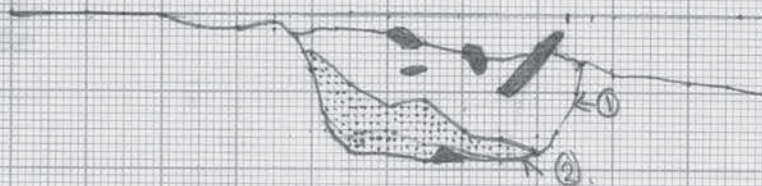

N.B. Probably just a part of a general linear streak of burnt
stones which runs right through the cuttings on the south
side of the mound.

N.B. Approaches have been put of the cross-holes at the
western end of F2953 (the house).

Section

Scale 1:10

3164

Layer ① All material with stones

Layer ② Bull material with signs of leaching (may be arding bottom going into F3161; old had surface).
