COMMENT

F5737 + F5740 are they the same as 5656 ⑤
but beyond the cut & gullies or are they an
addition to 5656 ⑤?

COMMENT ? Looked at 5737 + 574

~~Stones appear to have been from weathering longer than stone
within 5656 ③ + ④.
Seems to have material removed from it (shallow gullies at this end
see 5737 (N.W. end) poss used to extend mound~~

Laid on part of (against) W side of mound (see 5737)
